2nd ICIET 2010– Call For Papers
International Conference on Information and Emerging Technologies

Greetings,

This is the ***call for papers*** for the ***2nd International Conference on Information and Emerging Technologies 2010*** that will be organized at National University of Computer and Emerging Sciences (NUCES-FAST) at Karachi, Pakistan on ***14-16 June 2010,*** in collaboration with IEEE Karachi Section and IEEE Computer Society Karachi.

ICIET 2010 is being held for the second time at the National University of Computer and Emerging Sciences (NUCES-FAST), Karachi, Pakistan. The first ICIET was held in 2007. This conference focuses on research presentations by both academic/professional researchers as well as students. The Conference Proceedings will be archived at IEEE Xplore Digital Library ®. Selected papers shall be published in special issue journals approved by HEC.

Scope

Original and unpublished papers describing original research are invited. Areas of interest include, but are not limited to, the following conference tracks:

Medical Informatics

Ubiquitous Computing

Social Computing

Grid and Cluster Computing

Multimedia, Image Processing and Rich Content Knowledge Processing

Software Engineering / Software Quality Engineering

Computing, ICT and Engineering Education Management

Agro & Textile Management through ICT

Technology and Change Management in Third World Countries

Communication and Networking

Digital Signal Processing

Robotics and Automation

Renewable Energy

Power System Modeling and Protection

Electrical Machines

Power Quality and Harmonics

For the first time in Pakistan, the conference will be followed by a unique 'Doctoral Symposium' with the support of ***Higher Education Commission (HEC)*** Pakistan to showcase the research of graduate students pursuing Ph.D. degrees. The doctoral symposium will have a poster session where the Ph.D. candidates will present their research.

The conference also includes a series of ***Tutorials*** providing opportunity to the participants to learn about the latest trends and emerging technologies. ICIET 2010 will be attended by eminent scholars from Pakistan and abroad who will present recent trends and advancements in their areas.

Submission Guidelines

Full papers should be submitted for review. Papers' length should not exceed 6 pages. The paper should be in IEEE format. Papers submission templates in Word (.doc) and LaTeX are available in the "Paper Submission" section of the conference website.
